DETAILED ACTION

1. Applicant's response to the Office Action mailed March 12, 2002 in Paper No. 9 on May 3, 2002 is acknowledged.

Claim Disposition

3. Claims 15-20 have been added. Claims 1-5, 10-12 and 14 have been amended. Claims 1-20 are pending.
4. The following grounds of rejection are or remain applicable:

Abstract

5. The abstract filed May 3, 2002 is objected to because it reads "preparation by (i) an effective amount of a sulphated polysaccharide (FSSPS) to a fibrinogen", and it appears that a word is missing before (i) and that the acronym is incorrect. The specification and claims disclose

Art Unit: 1653

that “preparation is by (i) adding an effective amount of a sulphated polysaccharide (SPS) to a fibrinogen”.

Correction is required.

Claim Rejections - 35 U.S.C. § 112

The following is a quotation of the second paragraph of 35 U.S.C. 112:

The specification shall conclude with one or more claims particularly pointing out and distinctly claiming the subject matter which the applicant regards as his invention.

6. Claims 1-20 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.

Claim 1 is indefinite because the claim recites “the preparation, the method comprising...”.

Note that there is an extraneous period in the claim.

Claims 1, 14, 19 and 20 are rejected because the phrase “perferably” renders the claims indefinite because it is unclear whether the limitation(s) following the phrase are part of the claimed invention or not, and the resulting claim does not clearly set forth the metes and bounds

Art Unit: 1653

of the patent protection desired. In addition claims 19 and 20 do not further limit claim 14, with respect to "at least 0.2M / at least cryoprecipitate".

7. Applicant's arguments filed May 3, 2002 in Paper No. 9 has been considered. Note that the rejections of record have been withdrawn, however, new grounds of rejections have been instituted under 35 U.S.C. 112, second paragraph for the reasons stated above.
